DO YOU HAVE AN IDEA TO CHANGE THE WORLD? THE CALL FOR KINDNESS IS NOW OPEN!

Young leaders (13-22) are invited to submit a new or existing project idea, managing everything from prevailing social justice issues to pressing community-based scenarios. As many as 36 youth-led projects will receive funding up to \$3,000.

In addition to the general category, the special category this year is environmental justice. There is also an award, the Yuriko Kikuchi Arigato Award, focused on dance and the performing arts.
